Mr Chin Khek Kwong

Principal, Highlands International Boarding School, Genting, Malaysia

It has been a great experience shifting to CLOBAS for our school management software needs. It is so stable and user friendly. We are witnessing significant improvements in our day to day operations by using CLOBAS.

Mr K.D. Sabu, M.A, B.Ed, M.Phil

Principal, Padmashree School, Chennai

We wish to express our full satisfaction in using CLOBAS digital program since 2019 in our institution. For the last 4 years we are able to use it without much complexity and is capable of addressing all our needs satisfactorily. The response levels and support from CLOBAS team is very impressive and more co-operative. We recommend CLOBAS for all educational institutions and wish them, good luck and success.

Mr. Gokul

Chairman, Sri Sarguru Matric School, Coimbatore

CLOBAS is a truly innovative software that acts as a bridge between students, teachers, parents, and management, making it a game changer for schools.

The Chairman

ABS Group of Schools, Tiruvallur-Avadi-Korattur

We are happy to notice that parents have embraced this app and are using it extensively to get all information about their wards' performance at school. Their regular feedback to us through the app has been very helpful to ensure a healthy engagement and addressing their queries promptly. I thank the CLOBAS team for their app which works seamlessly and their support which has been very critical right from the start.
